Registration, via the web, is to be paid on an individual basis. We assume that some viewers will gather together to watch the replay of the webcast together – using only one attendee’s registration access. We are therefore expecting all viewers to honour the effort and expense that STEP Canada has put into bringing you this special event by registering on an individual basis.

Viewing the Archived Replay

After registering for the Archived Replay, please click on “National Webcast – ARCHIVED REPLAY” icon on the www.step.ca homepage and follow the screen instructions. Enter your last name, and your STEP order ID number as it appears on your registration receipt. Please note the following TECHNOLOGY TIPS and SYSTEM REQUIREMENTS:

- Your firm’s IT department may have highly restrictive firewalls and caching constraints preventing continuous sound and video streaming for an elongated period. You will need to speak to your IT department to ensure those constraints are removed, at least temporarily;
- Ensure that your PC is set to maximize the viewing access/experience, e.g., ensure your internal sound output is set at a high level, turn up your speakers and turn up the volume control embedded on the Webcast screen;
- Make sure you only have one Webcast window open at a time;
- System requirements for the webcast are as follows:
 - Adobe Flash Player 10+ (Update your Flash version at: <http://get.adobe.com/flashplayer/>)
 - High-speed broadband internet connection (wired preferred)
 - Modern web browser, such as IE7/8, Firefox 2+, Chrome 1+, or Safari 3+
