

**Heath Moore, CA**, is a Tax Partner with Grant Thornton LLP in Halifax.

Heath is the lead partner for the firm's Succession and Estate Planning group in Nova Scotia. In addition, Heath is responsible for providing tax planning and compliance services to a wide range of owner-managed businesses, high net worth individuals and publicly traded clients in the areas of succession and estate planning, complex corporate reorganizations, mergers and acquisitions, compliance and general tax and business matters.

Heath is a regular lecturer at the CICA Advanced Tax Issues – Owner Manager course and has also lectured at the Tax Technical course for the Atlantic School of Chartered Accountants. Heath has instructed both Parts I and II of the CICA In-Depth Tax Course and has served as a member of the advisory committee for the CICA National Conference on Income Tax. Heath has presented various papers at the Atlantic Tax Conference on topics such as divisive butterfly reorganizations and port mortem tax planning.
